

**ATA Science Conference 2016**  
**November 17-19, 2016**  
The Banff Centre, Banff, AB  
Theme: "The Science of Success"

Good day everyone!

We are excited to begin the next phase of planning for our ATA Science Council conference in November 2016. Our two amazing conference keynote speakers are Hayley Wickenheiser, Olympic gold medalist and Dr. Maria Siros, positive psychologist and author. Please visit our conference website for more information:  
<https://event-wizard.com/TheScienceofSuccess/0/welcome/>

The Displays Room will be open to registrants from Friday - Saturday. Please see the registration form for more details. Set up for displays will be on Thursday, October 22. As in previous years, GES is our exhibit company. Once payment has been received, GES information will be sent along so that you have all of the required information. As well, each exhibitor is expected to submit a door prize to the registration desk prior to set up. If you are able, general donations or sponsorships for our conference are always accepted.

Attached are the Exhibitor's Contract and Displayer Registration Form. If you cannot open these attachments, please let me know. Please note that one person is planned for at each display booth. If you require extra nametags – thus, extra access to a lunch ticket, please let us know. We encourage you to book your table(s) early to avoid disappointment. **Tables are not confirmed until payment has been received.** So, please complete the form, contract and send payment at your earliest convenience. Please read the contract and registration carefully, and communicate specifics regarding who will be in attendance at the Displays room.

Please make payment to "ATASC" and send along with contract and registration form to:  
Carryl Bennett-Brown  
48 Napoleon Crescent, St. Albert, AB T8N 1C8
